

Your child's visit to the outpatient department

A guide for parents and carers

The Lauriston Building, 39 Lauriston Place, Edinburgh, EH3 9EN

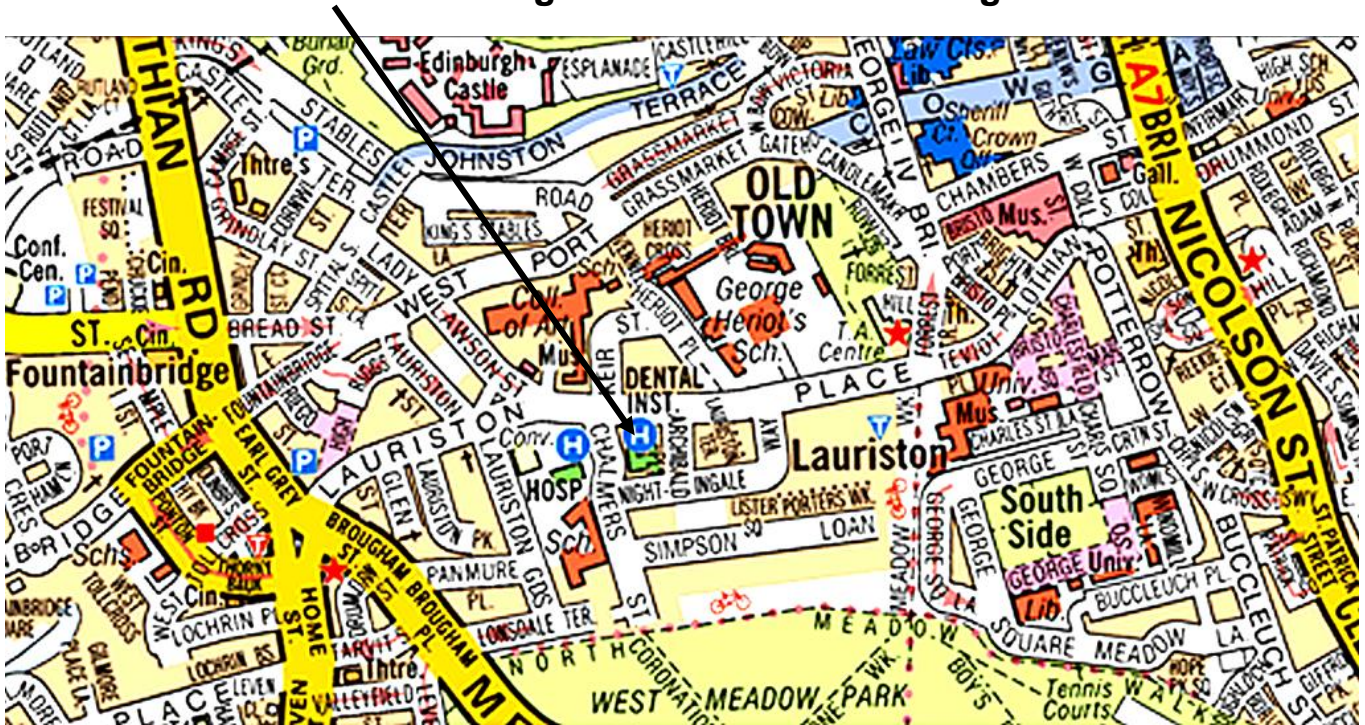

Welcome

Your child has an appointment to be seen in the Outpatient Department at the Lauriston Building, Edinburgh. We know that coming to hospital can be a stressful time for children, their families and friends. We will do all we can to help your child and to make his or her visit to the hospital as pleasant as possible.

After reading this leaflet, if you have further questions about your child's visit before attending, please don't hesitate to contact our appointments desk on the number below. Alternatively when you attend the outpatient department please ask the nurse in charge or any doctor or nurse involved in your child's care. They will be pleased to help you and, if necessary, talk to other members of your family.

We are committed to making sure that the care and treatment your child receives is of the highest possible standard.

Appointment Cancellation

While we make every effort to avoid this, there is always a risk that your appointment may be cancelled at short notice. This is due to either emergency patients or other reasons which are beyond our control. We realise that this can cause distress and inconvenience, but in the event that your appointment is postponed, you will be offered a new date as soon as possible.

Keeping your Appointment

If you cannot keep your child's appointment or need to change it, please telephone the number on your appointment letter. Your call will give someone else the chance to be seen and will help us keep waiting times to a minimum.
