We would like to invite you to the fifth year of “Taking Stock”, an opportunity to reflect on our progress with and share learning on our joint strategy '**A Sense of Belonging**'.

One of the priorities as part of the strategy is to hold a yearly event to *“ensure that all are informed of progress and to sense check priorities within a rapidly changing context”*. We will also be discussing and talking about what’s important as we move forwards with ‘A Sense of Belonging 2’.

There will be workshops you can sign up to closer to the event and a marketplace providing a good opportunity for people to find out more about what is happening across Lothian to support people’s mental health and wellbeing.

The event is free but limited to 250 people. Lunch and refreshments will be available. Please let us know if you have any dietary or access requirements.
