## Medical/Clinical Need

If a medical or clinical need (medical/clinical need) arises, the patient should be transported by the nearest hospital transport service. The patient should be transported in the nearest hospital transport service, ensuring that the patient is transported safely and promptly. The transport service should be contacted immediately.

### Interpreters

The hospital transport service should be contacted immediately if the patient requires an interpreter.

### Address

The hospital transport service should be contacted immediately if the patient requires an interpreter.

### Maps

The hospital transport service should be contacted immediately if the patient requires an interpreter.

---

### Contact Information

For information, please contact the hospital transport service at 0300 123 123* or via the hospital transport service's website: www.nhslothian.scot.nhs.uk.
